5250095/7	3/8" EFI Hose	\$12.20	\$85.40

Norma Fuel Injection Hose Clamps

Ideal for use on both high and low pressure hose applications. The non-perforated band eliminates any risk of damage to the hose, and all sizes will close to a perfect circle, while the uniform circumferential pressure obtained ensures maximum sealing efficiency. This one-piece clip features a special nut, which is retained in the clip so that it can not be lost.

PART NO.	CLAMPING RANGE	PER 10 EX GST	PER 100 INC GST
SL7-9/9-W1P	6.8mm - 9.1mm	\$13.35	\$111.10
